The information notice must not be considered valid for other websites that may be consulted through links on the domain Controller's internet sites, who is not responsible for such third party websites.

PROCESSED PERSONAL DATA
Personal data: any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person (such as name, last name, date of birth, address, email, telephone number).
Browsing data
During their ordinary course of operation, the IT systems and software procedures required to run this website acquire certain Personal Data, whose transmission is implicit in the use of Internet communication protocols. This information is not collected to be associated with identified Data Subjects but, by its very nature, it could enable identification of the users through the processing and matching of data held by third parties. This data category includes IP addresses or domain names of computers used by the users who visit the site, as well as the URI addresses (*Uniform Resource Identifier*) of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file received in reply, the numerical code indicating the status of the reply from the server (done, error, etc.) and other parameters related to the operating system and the IT environment of the user.
Data provided voluntarily by the user
The optional and voluntary disclosure of personal data (e.g.: sending of emails to the email addresses indicated on this website and/or the completion of a data collection form on this website) entails the collection and processing of the voluntary disclosed user's data, necessary to reply to the request, as well as other personal data included in the email message (such as name, last name, address, telephone number, email address).
